

# The 50 States

**“This edition is an easy recommendation;** students from upper middle school through college as well as public library patrons **will be very well served by it...**”

-Library Journal

**“This hefty, accessible volume provides a wealth of information.”**

-School Library Journal

**“A good basic reference source, recommended for general readers.”**

-Choice

**“This work is highly recommended to all public libraries, school libraries and academic libraries.”**

-Reference & User Services Quarterly

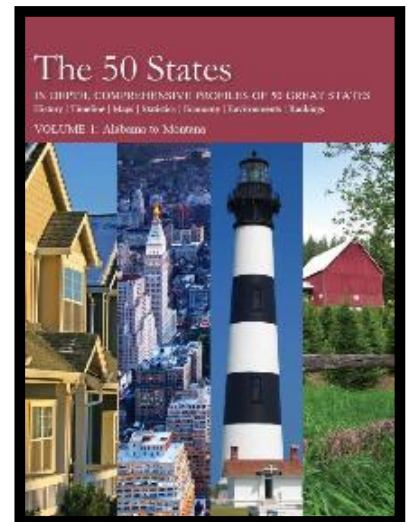

**“This compendium should prove a convenient tool for small collections, and is well-suited for school and public libraries.”**

-Reference Reviews Gale Group

**“This book is well organized, provides a great deal of information about individual states in one compendium, and makes an excellent resource for the general audience.”**

-American Reference Books Annual
