“This set is an **excellent resource for students** of sociology, history, English, and business.”

-Booklist, 2011

“Three volumes **profile 446 people (of whom 43 are women)** in essays written specially for this reference. Most have not been previously profiled in the publisher's "Great Lives From History" series, and if they have, the emphasis here — on how much wealth and how they got it — is new.

-Booknews, 2011

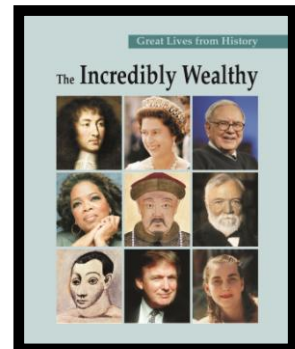

“Summing Up: **Recommended**. Lower- and upper-level undergraduates; general readers.”

-CHOICE, 2011
