

Magill's Choice:

Crime & Punishment in the U.S.

"Crime and Punishment in the United States represents a **superior academic endeavor** on the part of editor Phyllis B. Gerstenfeld, professional contributors, and Salem Press. This **clear and comprehensible** three-volume Magill's Choice encyclopedia collection, bound in an enticing criminal justice-themed cover, makes an immediate impression on the reader. The collection is a comprehensive source of basic criminal justice content offered by prominent contributors. **The essays engage readers to pursue noteworthy content in numerous criminal justice entries...** The articles provide insightful content, concise subject substance, summaries, and definitions. Volume 3 offers a detailed general subject index of 60 individual categories and essay topics that include a considerable range of important criminal justice issues. In addition, a glossary with more than 530 criminal justice definitions and terms support the three volumes. This striking three-volume edition focuses on significant criminal justice issues relating to types of crimes. Entries immediately introduce terms by defining: definition of term, criminal justice issues, and significance... In conclusion, *Crime and Punishment in the United States* is a **comprehensive source for nonspecialist readers at the middle school, high school, community college, and university levels**. This excellent three-volume encyclopedia would certainly make a welcome addition to any of these collections. Moreover, private and international libraries will define this series as a **valuable asset in their collections.**"

ARBA, 2009

"Recommended for secondary school and public libraries."
