

# Psychology Basics

## Index

### A

AA. See Alcoholics Anonymous (AA)

Ability tracking, 17

Abnormal behavior, 674

Abnormality; behavioral models, 9; biological models, 5; cognitive models, 10; diathesis-stress model, 12; humanistic models, 9; psychoanalytic models, 7; psychological models, 5-13; sexual variations and, 776; social-learning models, 9; sociocultural models, 11

Absolute threshold, 908

Abstract thinking; dementia and, 242; language and, 471

Abuse; amnesia and, 62; domestic, 277

Acceptance, death and, 238

Accommodation, 908

Accreditation Council of Psychoanalytic Education, 639

Acetylcholine, 568, 908

Achievement, giftedness and, 356

Achievement motivation, 908

Achievement need, 626

Achievement status, 418

Achievement tests, 671

Acquisition, 908; conditioning and, 591

Acrophobia, 630

Act psychology, 663

Action potential, 908

Activation-synthesis theory of dreams, 287

Activation theory of motivation, 555

Active imagination, 81

Activities of daily living (ADLs), 242, 265

Actor-observer bias, 908

Actualizing tendency, 908

Adaptation, 908; intelligence and, 450; sensory, 761; social psychology and, 794

Adaptive skills, mental retardation and, 532

Adaptive theory of sleep, 783

ADD. See Attention-deficit hyperactivity disorder (ADHD)

Addenbrooke's Cognitive Examination (ACE), 55

Addiction, 219, 908; support groups and, 866

Addictive brain, 855

Addictive personality, 855

ADHD. See Attention-deficit hyperactivity disorder (ADHD)

Adler, Alfred, 649, 946; Horney, Karen, and, 804; individual psychology, **430-437**; motivation and, 555

ADLs. See Activities of daily living (ADLs)

Administration on Developmental Disabilities, 265

Adolescence, 908; cognitive skills, **14-21**; domestic violence and, 280; growth spurts and, 23; identity crises and, 416; psychosocial development, 319; schizophrenia and, 736; self-esteem and, 758; sexuality, **22-29**

Adrenal glands, 908

Adulthood; definitions, 22; personality and, 618

Advertising; conditioning and, 203; perception and, 761

Affect, 732, 908

Affective disorders, 908. *See also* Mood disorders  
Affective states, 664  
Afferent, 908  
Affiliation, friendship and, **30-35**  
Affiliation motive, 909  
Age; dreams and, 288; intelligence testing and, 458; suicide and, 858  
Aggression, **36-41**, 909; attention-deficit hyperactivity disorder and, 107;  
aversive control and, 488; instincts and, 446  
Aging; cognitive changes, **42-50**; hormones and, 398; individual psychology and, 433  
Agnosia, 51  
Agoraphobia, 630, 909; panic attacks and, 96  
Aiken, Lewis, 460  
Ainsworth, Mary, 100  
Air rage, 39  
Alarm reaction, 372  
Albert, Robert, 225  
Alcohol abuse; aggression and, 38; domestic violence and, 280; depression and, 247; suicide  
and, 247, 860  
Alcoholics Anonymous (AA), 866  
Aldwin, Carolyn, 821  
Alexithymia, 821  
Alienists, 508  
Allele, 909  
Allport, Gordon, 946; humanistic trait models, **402-407**; prejudice, 433; self, 748  
Alpha press, 625  
Altered states of consciousness, 212  
Alternate personalities, 560  
Altruism, 909  
Altruistic suicide, 858  
Alzheimer, Alois, 52  
Alzheimer's Association, 52  
Alzheimer's disease, 46, 48, **51-58**, 181, 243, 909; amyloid-beta protein and, 529;  
animal experimentation and, 529; neuropsychology and, 573  
Alzheimer's Disease Prevention Initiative, 57  
Ambiguity, helping and, 382  
American Association on Mental Retardation, 260  
American Institute of Psychoanalysis, 804  
American Psychoanalytic Association (APsA), 643  
American Speech-Language-Hearing Association, 811  
Americans with Disabilities Act (ADA) of 1990, 268  
Aminoketones, 541  
Amnesia, **59-64**, 528  
Amok, 12  
Amphetamine psychosis, 742  
Amplification, dreams and, 81  
Amplitude, 909  
Amygdala, 145  
Anal stage, 315, 657, 901, 909  
Analgesia, 909  
Analogies, 226  
Analytic language acquisition styles, 467  
Analytic psychology; Lacan, Jacques, **65-71**  
Analytical psychology, 648, 909; Jung, Carl, **72-77**  
Analytical psychotherapy, **78-83**  
Anastasi, Anne, 451  
Anderson, Lynn, 370

Androgens, 909  
Androgyny, 389, 909  
Androgyny theory, 889  
Angell, James Rowland, 663, 848  
Anger, 40; death and, 238; depression and, 163  
Anima archetype, 74  
Animal experimentation, **84-91**, 333, 663; behaviorism and, 129; learning and, 483; memory and, 524; neuropsychology and, 572; phobias and, 636  
Animal Welfare Act, 89  
Animus archetype, 74  
Anomic suicide, 858  
Anonymous questionnaires, 870  
Anorexia nervosa, 12, 306, 909; hunger and, 411; types, 309  
Antecedents, 131  
Anterograde amnesia, 529, 909  
Antianxiety drugs, 303  
Antidepressants, 159, 249, 301, 541, 581, 909  
Antipsychotic drugs, 304, 511; schizophrenia and, 735  
Antisocial personality disorder, 605, 909  
Anxiety, 7, 698, 726, 813, 909; amnesia and, 59; attention-deficit hyperactivity disorder and, 107; bulimia nervosa and, 310; compulsions and, 578; conditioning and, 592; consciousness and, 217; death and, 237; fugue and, 59; psychoanalysis and, 639; psychosurgery and, 693; sensitivity, 613; social psychology and, 794; stress and, 819  
Anxiety disorders, **92-98**, 304; cognitive therapy and, 196; personality and, 612; phobias, 630  
Anxiety management training, 170  
Anxiety Sensitivity Index (ASI), 613  
Anxiolytics, 303  
Anzieu, Marguerite, 69  
Apgar test, 261  
Aphasia, 51, 470, 910; receptive, 904  
*Aplysia*, 374, 491, 522, 527  
Apperception, 844  
Appetite, hunger versus, 411  
Applied behavior analysis, 125, 133, 208  
Applied research, 910  
Approach-approach conflict, 727  
Approach-avoidance conflict, 727  
Apraxia, 51  
Aptitude, 910  
Aptitudes Research Project (ARP), 671  
Arachnophobia, 630  
Arbitrary inference, 196, 249  
Arc-USA, 260  
Archetypes, 73, 649, 910; self as, 747  
Archival data, 910  
Aristotle, 214, 287, 330, 445  
Arousal; emotional, 325; personality disorders and, 607; phobias and, 631; schizophrenia and, 741  
Arousal cost-reward model of helping, 379  
Art, sensation/perception and, 765  
Artemidorus Daldianus, 285  
Articulation disorders, 807  
Artificial intelligence, 182, 910; reasoning and, 505  
Artistic ability, intelligence quotient (IQ) and, 356  
Aserinsky, Eugene, 785

Assessment, 271, 274; giftedness, 359; personality, 610  
Assimilation, 910  
Associated features, 272  
Association, conditioning and, 589  
Association for Behavior Analysis, 712  
Association for Death Education and Counseling, 238  
Associationism, 517  
Associative learning, 200  
Atkinson, John, 626  
Atmosphere hypothesis of reasoning, 502  
Attachment, **99-105**, 910  
Attention, 179, 910; aggression and, 37; selective, 762  
Attention-deficit hyperactivity disorder (ADHD), **106-112**, 303  
Attitudes, 910; personality and, 602  
Attraction; affiliation and, 31; theories, **113-120**  
Attribution, 755, 910  
Attributional biases, 910  
Attributional style questionnaire, 478  
Auditory Integration Training (AIT), 124  
Auerbach, Stephen, 816, 821, 824  
Austin, George A., 504  
Authoritarian personality, 795  
Autism, **121-127**  
Automatic thoughts, 194  
Automaton conformist personality, 796  
Autonomic nervous system, 567, 721, 910  
Autonomy, 317  
Availability heuristic, 183, 500, 910  
Aversion, 777  
Aversion therapy, 910  
Aversive control, 488  
Avoidance, 206; anxiety and, 93; phobias and, 630  
Avoidance-avoidance conflict, 727  
Avoidant mother, 103  
Avoidant personality disorder, 605  
Axon, 910

moral development and, 547; Piaget, Jean, **172-178**  
Cognitive disorder, depression as, 158  
Cognitive dissonance theory, 912  
Cognitive distortions, 10; depression and, 249  
Cognitive domains, 572  
Cognitive function, dementia and, 242  
Cognitive maps, 181, 912  
Cognitive models of anxiety, 96  
Cognitive personality theory, 617  
Cognitive processes, 912  
Cognitive psychology, **179-187**, 669, 912; logic and reasoning, 499;  
psychosomatic disorders and, 685; thought and, 880  
Cognitive science, 912  
Cognitive social learning; Mischel, Walter, **188-193**  
Cognitive stage theory, 14  
Cognitive theory, memory and, 518  
Cognitive therapy, 166, **194-199**, 681; depression and, 251  
Cohabitation, domestic violence and, 281  
Cohen, Sheldon, 823  
Cohesion, groups and, 865  
Cohort, 913  
Collaborative relationship, 700  
Collaborative Study of the Psychobiology of Depression, 248  
Collective unconscious, 73, 78, 287, 649, 913  
Colliculi, 144  
Color, 913; sensation/perception and, 763  
Columbia school of functionalism, 849  
Commission on Community Interrelations, 347  
Commissures, 148  
Commitments, identity crises and, 418

Common traits, 402  
Communal relationships, 32  
Communication; friendship and, 32; groups and, 865; language and, 466; speech disorders and, 807  
Community Mental Health and Retardation Act, 513  
Community mental health centers, 508  
Comparative psychology, 670  
Compensation, 431, 913  
Compensatory model of helping, 382  
Competence; intelligence and, 454; motivation and, 553  
Competency, 188  
Complexes, 73  
Complexity, groups and, 367  
Composition, group, 368  
Compulsions, 578, 675, 913; eating, 408  
Computer modeling, animal experimentation versus, 90  
Computer models of cognition, 181  
Computers; intelligence testing and, 462; reasoning and, 504  
Concept Assessment Kit, 175  
Conceptualization, 168  
Concrete operational stage, 15, 174, 257, 913  
Conditional positive regard, 10  
Conditioned emotional reactions (CER), 592  
Conditioned response (CR), 202, 485, 589, 913  
Conditioned stimulus (CS), 201, 485, 589, 913  
Conditioned suppression, 202  
Conditioned taste aversion, 913  
Conditioning, **200-209**, 721, 913; imprinting versus, 428; instincts and, 447; language acquisition and, 468; learning and, 483; motivation and, 554; Pavlovian, **589-595**; phobias and, 631; psychopathology and, 676; substance abuse and, 853  
Conditions of worth, 913  
Conduct disorder, 605  
Cone, 913  
Confession, 79  
Confidentiality, 642  
Confirmation bias, 502  
Conflict, intergroup, 347  
Conformity, 232
